

REMARKS

In response to the Notice to File corrected Application Papers, Applicants hereby request cancellation of drawing Figures 1, 2 and 3 from the application. It is noted that these drawing figures were originally submitted in error, and that the present application should not include any drawings, nor does the application require any drawings.

Accordingly, a Brief Description of the Drawings is not required in the patent application once the drawings are cancelled. As the amendment merely serves to correct the informalities noted in the Notice, the allowed application is complete and in full condition for issuance.

Respectfully submitted,

DEBORAH ADDISON ET AL.
